1. About this manual

This manual walks a tester through every part of KickWick that a club, a team, a player or the platform owner will use. Each section lists test cases with the steps to follow and the result you should see. Tick **Pass** or **Fail** in the last column and write what you saw in the notes. Anything that fails goes on the defect sheet in section 16.

How to work through it

- Start with a fresh demo database (section 2) so everyone sees the same teams, matches and scores.
- Follow the sections in order the first time. Later sections (scoring, auction) rely on tournaments and teams from earlier ones.
- Test on a phone as well as a laptop. Most organizers and scorers will use KickWick on a phone at the ground.
- Where a test needs two screens (live scoring, auction), open the second screen on another device or a private browser window.
- Every error the app shows should be a plain sentence a club volunteer can understand. A raw code, a blank screen or text like *500* or *undefined* is always a failure, even if the action itself worked.

Who uses KickWick

Role	Who this is	What they do
Super admin	Platform owner	Manages clubs, plans, sports, subscriptions, users and platform settings. Reads the audit log.
Organization admin	Club organizer	Creates tournaments, approves teams, collects ground fees, builds fixtures, runs auctions, makes posters, reads reports, pays for a plan.
Scorer	Club volunteer at the ground	Scores football and cricket matches live.
Team manager	Captain or manager of one team	Registers the team, manages the squad, pays fees, bids in auctions, sees fixtures.
Player	Individual player	Keeps a profile, registers for auctions, sees their own statistics.
Public visitor	Anyone, no sign-in	Views tournament pages, live scores, the big-screen scoreboard, player statistics; registers a team from a link.

2. Test environment and accounts

Opening the app

- Open the test URL provided by the development team (on a local machine this is **http://localhost:5173**).
- Supported browsers: current Chrome, Edge, Safari (iPhone) and Chrome on Android.
- To start over with the original demo data, ask the developer to run **npm run db:reset**. Do this before each full test cycle.

Demo accounts

Every demo account uses the password **12345678**. Sign in at **/login** with the email address.

Role	Email	Name	Belongs to
Super admin	syamdass@gmail.com	Syamdas	Whole platform
Organization admin	admin@greenvalley.com	Ramesh K. Nair	Green Valley Sports Club (football)
Organization admin	admin@malabar.com	Shabeer Rahman	Malabar Premier Cricket Academy (cricket)
Scorer	scorer@greenvalley.com	Arun Scorer	Green Valley Sports Club
Team manager	manager@malabarblasters.com	Faisal Manager	Malabar Blasters FC
Player	shameer.player@gmail.com	Shameer Babu	-
Player	rahul.player@gmail.com	Rahul R. Menon	-

Demo data you will meet

Item	Name	Where to find it
Football tournament (league then knockout, ongoing)	Malappuram 7s Village Football Championship 2026	/tournaments/malappuram-7s-football-2026
Cricket tournament (knockout, ongoing)	Calicut Monsoon Super 8s T20 Trophy	/tournaments/calicut-super-8s-t20-2026
Football tournament (registration open)	Wayanad Monsoon Sevens Cup 2026	/tournaments/wayanad-monsoon-sevens-2026
Live football match	Malabar Blasters FC v Green Valley Strikers	Scoreboard: /scoreboard/match/match-fb-live-1
Scheduled football match	Nilgiri Lions FC v Calicut Eagles FC	Organizer > Fixtures
Live cricket match	Kozhikode Kings CC v Coastal Warriors CC	Scoreboard: /scoreboard/match/match-cricket-live-1
Live football auction	Football sevens auction	/auction/auction-football-1 (TV: /auction/tv/auction-football-1)
Cricket auction (registration open)	T20 auction	/auction/auction-cricket-1
Team registration links	Football / Cricket / Wayanad	/register/team/sevens-cup-2026-reg, /register/team/calicut-t20-2026-reg, /register/team/wayanad-monsoon-sevens-2026-reg
Grounds	Nilambur Municipal Floodlight Stadium; Calicut Beach Pavilion Cricket Oval	Organizer > Grounds
Plans	Free, Basic Club (Rs 999), Standard Pro (Rs 2,499), Premium Enterprise (Rs 9,999), One-Time Football Package (Rs 2,999)	Admin > Plans & Pricing; Organizer > Billing & Plan

Features that may be switched off

- **WhatsApp & SMS** messages and the **Forgot password** link appear only when a real messaging gateway is connected. If your test environment has none, these menu items are hidden on purpose. Skip section 12 and case AU-06 and mark them *Not applicable*.
- **Online payments** (Razorpay) need test keys. Without them, test the offline (cash / UPI / bank) path only.
- **Scorey**, the AI assistant, needs an AI key. Without one it answers that it is unavailable. That message is expected, not a failure.

3. Screen map

Use this map to jump straight to a screen. Menu names are as they appear in the side bar.

Area	Menu item	Address	Who can open it
Public	Home	/	Everyone
Public	Sign In	/login	Everyone
Public	Register Club	/register-club	Everyone
Public	Join as Player	/register-player	Everyone

Player	Dashboard	/player/dashboard	Player
Everyone signed in	My Profile	/account/profile	Any signed-in user

4. Sign-in, accounts and sign-up

ID	Scenario	Steps	Expected result	Result
AU-01	Sign in with each demo account	Open /login. Sign in with each account in section 2, one at a time.	Each lands on its own home: super admin on Overview & Metrics, organizer on Club Dashboard, scorer on the scorer or fixtures screen, team manager on the team dashboard, player on the player dashboard.	Pass / Fail Notes:
AU-02	Wrong password	Enter a correct email with a wrong password.	A plain message says the email or password is wrong. The form keeps the email. No technical text appears.	Pass / Fail Notes:
AU-03	Empty or invalid fields	Submit with the email blank, then with 'abc' as the email.	The problem is shown under the field that needs fixing.	Pass / Fail Notes:
AU-04	Sign out	Sign in, then sign out from the account menu. Press the browser Back button.	You return to the public site. Back does not reopen the private screen; it asks you to sign in.	Pass / Fail Notes:
AU-05	Sign out on every device	Sign in on two browsers with the same account. In My Profile choose to sign out everywhere. Use the other browser.	The other browser is signed out on its next action.	Pass / Fail Notes:
AU-06	Forgot password (only if messaging is enabled)	On /login choose Forgot password. Enter a registered mobile number, then an unregistered one.	Both show the same neutral message. A 6-digit code arrives by SMS for the registered number. The code works once and expires after 15 minutes; too many wrong codes lock it.	Pass / Fail Notes:
AU-07	Change password	In My Profile change the password. Sign in again with the new password.	The new password works; the old one does not. You stay signed in on the device where you changed it.	Pass / Fail Notes:
AU-08	Temporary password forces a change	As organizer, reset a scorer's password from People & Sign-in. Sign in as that scorer with the temporary password.	The temporary password is shown once. On sign-in the scorer must set a new password before doing anything else.	Pass / Fail Notes:
AU-09	Register a new club	Open /register-club and complete the form with a new club name, email and mobile number.	The club is created and you are signed in as its organizer (or told what to do next). Duplicate email or mobile gives a clear message.	Pass / Fail Notes:
AU-10	Register as a player	Open /register-player and complete the form.	The player account is created and lands on the player dashboard.	Pass / Fail Notes:
AU-11	Private screens need sign-in	Signed out, open /organization/dashboard and /admin/dashboard directly.	You are sent to sign in. Nothing private is shown.	Pass / Fail Notes:
AU-12	Role limits	Sign in as the team manager. Type /admin/dashboard and /organization/billing into the address bar.	Access is refused with a clear message or a redirect. No admin data is shown.	Pass / Fail Notes:

5. Super admin

Sign in as **syamdass@gmail.com**.

ID	Scenario	Steps	Expected result	Result
SA-01	Overview & Metrics	Open the dashboard.	Counts of clubs, users, tournaments and revenue (MRR) load and agree with the other admin screens.	Pass / Fail Notes:
SA-02	Create a plan	Plans & Pricing > add a plan with a price, duration, team and tournament limits and a storage limit.	The plan appears in the list and on the organizer's Billing & Plan page.	Pass / Fail Notes:
SA-03	Edit, reorder and retire a plan	Change a plan's price; move it up the list; set it inactive.	Changes show at once in the list and on the organizer billing page. An inactive plan can no longer be chosen.	Pass / Fail Notes:
SA-04	Sports	Sports > view football and cricket; edit a description or icon.	The change is saved and shows on the public home page.	Pass / Fail Notes:
SA-05	Organizations list	Organizations > search 'Malabar'; open the club.	Search filters on the server; the list pages with Next / Previous; club details open.	Pass / Fail Notes:
SA-06	Suspend and reactivate a club	Suspend Highland Youth Association. Try to use one of its accounts. Reactivate it.	Its users are signed out and cannot work while suspended. Everything returns after reactivation.	Pass / Fail Notes:
SA-07	Onboard a club	Create a club from Organizations.	The organizer's sign-in details are shown once, with a temporary password. That organizer must change it on first sign-in.	Pass / Fail Notes:
SA-08	Users & Players	Search a user by name, email and phone. Reset one user's password.	Results page correctly. The reset gives a one-time password shown once.	Pass / Fail Notes:
SA-09	Sign in as another user (impersonate)	Pick an organizer and choose to sign in as them. Do something, then end impersonation.	A banner shows you are acting as that person. Ending it returns you to the super admin account.	Pass / Fail Notes:
SA-10	Subscriptions	Subscriptions > filter by status; extend or cancel one.	The status changes and the club's Billing & Plan page agrees.	Pass / Fail Notes:
SA-11	Platform Settings	Change the footer text or contact details; save.	The public footer shows the new text.	Pass / Fail Notes:
SA-12	Messaging health (if messaging is enabled)	Open the notification health panel.	It warns if SMS or WhatsApp is only being recorded and not really sent.	Pass / Fail Notes:
SA-13	Audit Logs	Filter by action and club. Look for the suspend, reset and impersonation you just did.	Each action is listed with who, what and when, in plain words.	Pass / Fail Notes:

6. Organizer: club, grounds and tournaments

Sign in as **admin@greenvalley.com** (Green Valley Sports Club).

ID	Scenario	Steps	Expected result	Result
OT-01	Club Dashboard	Open the dashboard.	Live and upcoming matches, tournaments, team and fee totals load for Green Valley only.	Pass / Fail Notes:
OT-02	Add a ground	Grounds > add a ground; pick the location on the map; switch between map, satellite, hybrid and terrain views.	The ground saves with its pin. Map views switch without errors.	Pass / Fail Notes:
OT-03	Edit and delete a ground	Rename a ground; delete one that no match uses.	Changes save. A ground in use cannot be removed, or you are warned first.	Pass / Fail Notes:
OT-04	Create a football tournament	Tournaments > Create New Tournament. Choose football, a format, Max Teams, dates, a ground from the map, a banner, and a ground fee in Ground Fee & Team Payment Config.	'Tournament created' confirmation. The tournament appears in the list and at its public page.	Pass / Fail Notes:
OT-05	Create a cricket tournament	Sign in as admin@malabar.com. Create a cricket tournament with Total Overs set.	The overs setting is saved and later used by the scorer (see LS cases).	Pass / Fail Notes:
OT-06	Formats	Create four small test tournaments: Round Robin League, Single Elimination Knockout, groups then knockout, league then knockout.	Each saves with the chosen format; fixtures later follow it (section 8).	Pass / Fail Notes:
OT-07	Edit a tournament	Change the name, dates and ground fee. Save.	'Tournament updated successfully'. The public page shows the new details.	Pass / Fail Notes:
OT-08	Required fields	Try to create a tournament with no name or no dates.	The missing field is pointed out; nothing is saved.	Pass / Fail Notes:
OT-09	Share the tournament	Use the WhatsApp share and the registration QR / link.	WhatsApp opens with a message and the correct link. The QR opens the team registration page.	Pass / Fail Notes:
OT-10	Plan limits	On the Free plan, create tournaments or teams until you pass the plan's limit.	A clear message explains the limit and points to upgrading.	Pass / Fail Notes:
OT-11	Announcements	Announcements > post one; edit; delete.	It shows on the tournament's public page and on live screens, and disappears when deleted.	Pass / Fail Notes:
OT-12	Sponsors & Ads	Add a sponsor with a logo; add an advertisement.	Logos appear on the public tournament page and scoreboard.	Pass / Fail Notes:
OT-13	People & Sign-in	Add a scorer with a mobile number. Change a member's role. Remove a member.	The new scorer can sign in with the temporary password (see AU-08). The removed member can no longer sign in to the club.	Pass / Fail Notes:

7. Team registration and ground fees

Public team registration

ID	Scenario	Steps	Expected result	Result
TR-01	Open a registration link	Signed out, open /register/team/wayanad-monsoon-sevens-2026-reg.	The tournament name, fee and form appear. No sign-in is asked for.	Pass / Fail Notes:
TR-02	Register a team	Fill team name, manager name, mobile, logo, and players. Submit.	A confirmation appears. The team appears in the organizer's Teams & Approvals as pending.	Pass / Fail Notes:
TR-03	Draft is kept	Half-fill the form. Refresh the page. Then try to close the tab.	The typed values come back after refresh. Closing warns that unsaved work will be lost.	Pass / Fail Notes:
TR-04	Bad input	Enter a 5-digit mobile number; leave the team name blank; upload a very large or non-image file.	Each problem is explained next to the field. Nothing is submitted.	Pass / Fail Notes:
TR-05	Pay online at registration (if payments are enabled)	Choose to pay online and complete a Razorpay test payment.	The registration goes through as paid; a receipt is available.	Pass / Fail Notes:
TR-06	Double submit	Tap Submit twice quickly (on a phone, if possible).	Only one team is created.	Pass / Fail Notes:
TR-07	Closed or wrong link	Open /register/team/not-a-real-link.	A friendly 'link not found or closed' message, not a blank page.	Pass / Fail Notes:

Approvals and fee collection (organizer)

ID	Scenario	Steps	Expected result	Result
TF-01	See pending teams	Teams & Approvals > filter by pending. Search by team name.	The new team shows with manager contact, fee and remaining balance.	Pass / Fail Notes:
TF-02	Approve / reject	Approve one team; reject another with a reason.	Status changes at once. The approved team appears on the public tournament page; the rejected one does not.	Pass / Fail Notes:
TF-03	Record a part payment	Open Record Ground Fee Payment for a team. Enter part of the fee, choose a method (cash, UPI, bank), add a reference and note.	Remaining Balance drops by that amount. A receipt is created.	Pass / Fail Notes:
TF-04	Pay the rest	Record the remaining amount.	The team shows as fully paid. A second payment above the balance is refused with a clear message.	Pass / Fail Notes:
TF-05	Mark as paid in one step	Use the mark-as-paid action on another team.	'Team marked as paid'. Balance is zero.	Pass / Fail Notes:
TF-06	Receipt	Open and print a receipt.	The receipt shows club, team, amount, method, date and running balance. It prints cleanly.	Pass / Fail Notes:
TF-07	Team manager sees the payment	Sign in as manager@malabarblasters.com > Payments & Invoices.	The same payments, receipts and balance appear.	Pass / Fail Notes:

ID	Scenario	Steps	Expected result	Result
TF-08	Squad view	Open a team's squad from Teams & Approvals.	Players, roles and photos show.	Pass / Fail Notes:

8. Fixtures and brackets

ID	Scenario	Steps	Expected result	Result
FX-01	Generate a league	Fixtures & Brackets > pick a league tournament with approved teams > generate fixtures (try home and away).	Every team plays every other team (twice with home and away). No team plays twice on the same matchday.	Pass / Fail Notes:
FX-02	Generate a knockout	Generate for a knockout tournament with a team count that is not a power of two (for example 5 or 6).	The Knockout bracket view shows every round. Byes show as already won. Later rounds show 'Winner of ...' until played.	Pass / Fail Notes:
FX-03	Groups then knockout	Generate for a group-stage tournament.	Teams are placed in groups (Groups view). The knockout shows 'Group A winner' style slots.	Pass / Fail Notes:
FX-04	Several grounds	With two or more grounds, generate fixtures.	Matches on the same day are spread across grounds; no ground has two matches at the same time.	Pass / Fail Notes:
FX-05	Edit a fixture	Change a match's date, time and ground.	Saved; the public fixture list shows the change.	Pass / Fail Notes:
FX-06	Cancel a match	Cancel a scheduled match.	'Match cancelled'. It shows as cancelled everywhere.	Pass / Fail Notes:
FX-07	Bracket moves forward	Finish a knockout match in the scorer (section 9).	The winner fills the next round automatically.	Pass / Fail Notes:
FX-08	Bracket undo	Undo the final goal or ball that decided that match so the result changes.	The next round updates to the new winner (only if that next match has not started).	Pass / Fail Notes:
FX-09	Half-played group	Finish some, but not all, group matches.	The knockout still shows 'Group winner' placeholders until the group is complete.	Pass / Fail Notes:
FX-10	Public bracket	Open the public tournament page > bracket.	Same bracket as the organizer sees; a league shows no bracket tab.	Pass / Fail Notes:

9. Live scoring

Sign in as **scorer@greenvalley.com** for football. For cricket sign in as **admin@malabar.com** (or a Malabar scorer). Keep the big-screen scoreboard for the same match open on a second device while you score.

Football

ID	Scenario	Steps	Expected result	Result
LF-01	Open the scorer	Scorer > choose Malabar Blasters FC v Green Valley Strikers.	LIVE OFFICIAL SCORER CONSOLE loads with the current score, clock and Match Events.	Pass / Fail Notes:
LF-02	Line-ups	Before kick-off of the scheduled match, set both line-ups.	Line-ups save and show on the scoreboard.	Pass / Fail Notes:
LF-03	Record a goal	Record a goal for Team A, choosing the scorer and minute.	Score goes up at once on the scorer and, within a few seconds, on the scoreboard and public page.	Pass / Fail Notes:
LF-04	Cards and substitutions	Record a yellow card, a red card and a substitution.	Each appears in Match Events with the player and minute.	Pass / Fail Notes:
LF-05	Wrong minute	Enter minute 250 or 'abc'.	'Enter a whole minute between 0 and 200'. Nothing is recorded.	Pass / Fail Notes:
LF-06	Undo Last	Record a goal, then press Undo Last.	The goal is removed from the score, the event list, the player's statistics and the table.	Pass / Fail Notes:
LF-07	Periods and clock	Move through half time, second half and Full time. Use 'Correct the clock or period'.	The period changes everywhere. Full time marks the match complete.	Pass / Fail Notes:
LF-08	Table updates	After full time, open the public tournament table.	Played, won, drawn, lost, goals and points are correct for both teams.	Pass / Fail Notes:
LF-09	Double tap	Tap the goal button twice very quickly.	Only one goal is recorded.	Pass / Fail Notes:

Cricket

ID	Scenario	Steps	Expected result	Result
LC-01	Toss	For a new cricket match, run the toss (coin flip) and choose bat or bowl.	The toss result shows and the right team bats first.	Pass / Fail Notes:
LC-02	Open the scorer	Open Kozhikode Kings CC v Coastal Warriors CC.	Ball-by-Ball Scorer loads with batters, bowler, score, overs and This over.	Pass / Fail Notes:
LC-03	Runs	Record 0, 1, 2, 3, 4 and 6 off the bat.	Runs, balls faced, strike and the batter on strike change correctly (odd runs swap ends).	Pass / Fail Notes:
LC-04	Extras	Record a wide, a no-ball, a bye and a leg-bye.	Wides and no-balls do not count as legal balls; runs go to extras correctly.	Pass / Fail Notes:
LC-05	Wicket	Record bowled, caught (choose fielder) and run out.	The wicket dialog asks who is out and how; the new batter is chosen; the scorecard shows the dismissal.	Pass / Fail Notes:

ID	Scenario	Steps	Expected result	Result
LC-06	End of over	Complete six legal balls.	Ends are swapped and you are asked for the next bowler.	Pass / Fail Notes:
LC-07	Undo Ball	Record a wicket, then Undo Ball.	The wicket, the runs and the player statistics are all restored.	Pass / Fail Notes:
LC-08	Innings break	Finish the first innings (all out or overs used).	'First innings complete'; the target is shown for the chase.	Pass / Fail Notes:
LC-09	Result	Finish the chase.	'Match complete' with the correct winner and margin. The table/bracket updates.	Pass / Fail Notes:
LC-10	Overs setting used	In a tournament set to a small number of overs (for example 2), score a match.	The innings ends after that many overs.	Pass / Fail Notes:
LC-11	Voice scoring (optional)	Use the microphone option and say a scoring action.	The action is recognised or you are asked to confirm; nothing is recorded silently wrong.	Pass / Fail Notes:

10. Public pages, scoreboard and player statistics

ID	Scenario	Steps	Expected result	Result
PB-01	Home page	Open / signed out.	Live matches ticker, sports, plans and footer load. Links work.	Pass / Fail Notes:
PB-02	Tournament page	Open /tournaments/malappuram-7s-football-2026.	Overview, fixtures, table, bracket, teams, sponsors and announcements load. No phone numbers of teams are visible.	Pass / Fail Notes:
PB-03	Live update without refresh	Keep the tournament page open while the scorer records a goal.	The score changes by itself within a few seconds.	Pass / Fail Notes:
PB-04	Big-screen scoreboard	Open /scoreboard/match/match-fb-live-1 on a TV or large monitor in full screen.	Large, readable score and clock. Goals, cards and line-ups appear as they happen. The screen does not go to sleep.	Pass / Fail Notes:
PB-05	Cricket scoreboard	Open /scoreboard/match/match-cricket-live-1.	Score, overs, run rate, batters and bowler update ball by ball.	Pass / Fail Notes:
PB-06	Club page	Open /organizations/green-valley-sc.	The club's tournaments and details show.	Pass / Fail Notes:
PB-07	Draft tournament stays hidden	As organizer create a draft tournament. Open its address signed out.	'Not found'. It does not appear in search or statistics.	Pass / Fail Notes:
PB-08	Player search	Open /players; search 'Shameer'.	Matching players show with team and sport.	Pass / Fail Notes:
PB-09	Player profile	Open a player's profile; view matches and career.	Runs, wickets, goals, matches and player-of-the-match awards match what was scored. No mobile number, date of birth or age is shown.	Pass / Fail Notes:
PB-10	Statistics follow undo	Record a goal, check the player's profile, undo it, check again.	The goal count goes up, then back down.	Pass / Fail Notes:
PB-11	Exports	On the tournament page download the table, fixtures, player stats and one match scorecard.	CSV files open cleanly in Excel (names in Malayalam show correctly, long numbers are not turned into 1.2E+11). The scorecard prints as a clean page.	Pass / Fail Notes:
PB-12	Scorey assistant	Open the chat bubble and ask 'Who is top scorer in the Malappuram 7s?' and 'How do I register a team?'	Helpful answers from public information only. It never gives phone numbers or emails. If AI is not configured, a polite unavailable message.	Pass / Fail Notes:
PB-13	Not found page	Open /no-such-page.	A friendly not-found page with a way home.	Pass / Fail Notes:

11. Player auction

You need three screens: the organizer (auctioneer) on a laptop, the auction TV on a large screen, and a team manager on a phone.

ID	Scenario	Steps	Expected result	Result
AC-01	Enable an auction	Tournaments > Manage Auction. Enable Player Auction for this Tournament; set title, date and time, virtual purse per team, base prices, min and max players.	Settings save. A player registration link is created.	Pass / Fail Notes:
AC-02	Players register	Open the auction player registration link signed out; register two players.	Each shows in Registered Players as pending.	Pass / Fail Notes:
AC-03	Approve players	Approve one player; remove another.	'Player approved for auction pool'; 'Player removed from pool'.	Pass / Fail Notes:
AC-04	Open the arena	Choose Live Arena. Open /auction/tv/{id} on the TV screen.	The arena and TV both connect. The TV shows the player on the hammer in large type.	Pass / Fail Notes:
AC-05	Bidding	As a team manager, open the auction and press Bid Next Min several times; bid from a second team.	Current Highest Bid, Leading Bidder and the bid stream update on every screen within a few seconds.	Pass / Fail Notes:
AC-06	Purse limit	Bid more than a team's remaining purse.	The bid is refused with a clear message.	Pass / Fail Notes:
AC-07	Sold	The auctioneer sells the player.	The player moves to the winning team; that team's purse drops by the price.	Pass / Fail Notes:
AC-08	Unsold and re-auction	Mark a player Unsold. Later start a re-auction round.	The player is unsold, then returns in the 'Accelerated re-auction round'.	Pass / Fail Notes:
AC-09	Undo the hammer	Right after a sale, undo the last sold/unsold call.	The player returns to the hammer and the purse is restored. It is refused once the player is paid or named in a line-up.	Pass / Fail Notes:
AC-10	Double tap on bid	Tap Bid twice very quickly.	Only one bid is placed.	Pass / Fail Notes:
AC-11	Player payment settlement	In Manage Auction open Player Payment Settlement. Mark a player paid with a method (cash, UPI, bank, cheque) and date; Mark All as Paid; Revert All to Pending.	Status and totals update correctly.	Pass / Fail Notes:
AC-12	Report	Export CSV and Print Report.	'Payment settlement report exported to CSV!'; the print view is clean.	Pass / Fail Notes:
AC-13	Team view	As team manager open Auctions.	The team's bought players, prices and remaining purse show.	Pass / Fail Notes:

12. WhatsApp and SMS messages

Only when a messaging gateway is connected. Otherwise mark this section *Not applicable*; confirm the 'WhatsApp & SMS' menu item and 'Forgot password' link are hidden.

ID	Scenario	Steps	Expected result	Result
NT-01	Menu hidden without gateway	With no gateway configured, sign in as organizer.	No 'WhatsApp & SMS' item in the menu; /organization/notifications is not reachable; no 'Forgot password' link.	Pass / Fail Notes:
NT-02	Club switches	WhatsApp & SMS > turn individual message types on and off.	Settings save. A switched-off type is not sent.	Pass / Fail Notes:
NT-03	Approval message	Approve a team whose manager has a real test mobile number.	The manager receives a WhatsApp or SMS. The message log shows it as sent.	Pass / Fail Notes:
NT-04	Match reminder	Schedule a match about 2 hours ahead and wait for the reminder run.	Each team receives one reminder, never two.	Pass / Fail Notes:
NT-05	Unpaid fee reminder	Leave a team with a balance.	A weekly fee reminder is sent once per week.	Pass / Fail Notes:
NT-06	Opt out	Opt a number out; trigger another message to it.	Nothing is sent to that number.	Pass / Fail Notes:
NT-07	Recorded, not delivered	In an environment where messages are only recorded, open the message log.	Rows are clearly marked 'Recorded, not delivered'.	Pass / Fail Notes:

13. Posters, reports and billing

ID	Scenario	Steps	Expected result	Result
PR-01	Match poster	Posters > choose a Poster Type and a match > create.	The poster is generated (it may take a few seconds) and appears in the Gallery with team names, date, ground and a registration QR where relevant.	Pass / Fail Notes:
PR-02	No match picked	Try to create a match poster without choosing a match.	'Pick a match first.'	Pass / Fail Notes:
PR-03	Download and share poster	Download a poster; share it on WhatsApp.	The image downloads at good quality.	Pass / Fail Notes:
PR-04	Tournament poster	From Tournaments use Design / Tournament Poster.	A poster for the tournament is created and can be downloaded.	Pass / Fail Notes:
PR-05	Financial & Tournament Reports	Open Financials & Reports.	Total Expected, Collected Revenue and Outstanding Due match the Teams & Approvals figures.	Pass / Fail Notes:
PR-06	Report exports	Use Export CSV and Export Official PDF.	Files download; figures match the screen; phone numbers are present only in organizer files.	Pass / Fail Notes:
PR-07	Billing & Plan	Open Billing & Plan.	Current plan, usage (teams, tournaments, storage) and invoices show.	Pass / Fail Notes:
PR-08	Upgrade plan	Choose a higher plan and complete the (test) checkout.	'Switched to <i>plan!</i> '; limits rise; an invoice is added.	Pass / Fail Notes:
PR-09	Renew plan	Renew the current plan.	'Plan renewed!'; end date moves forward.	Pass / Fail Notes:
PR-10	Expired subscription	As super admin set a club's subscription end date in the past (beyond the grace period) and let the daily check run.	The organizer is told the plan has expired and what to do. Public pages still work.	Pass / Fail Notes:
PR-11	Storage limit	Upload images until the plan's storage limit is reached.	A clear message says storage is full. Public team registration with a photo still works.	Pass / Fail Notes:

14. Team manager and player

Sign in as **manager@malabarblasters.com**, then as **shameer.player@gmail.com**.

ID	Scenario	Steps	Expected result	Result
TP-01	Team dashboard	Open the team dashboard.	Next match, fee balance, squad size and tournaments show for Malabar Blasters FC.	Pass / Fail Notes:
TP-02	Manage squad	My Squad > add a player with photo; edit; remove.	Changes save and show on the public tournament page.	Pass / Fail Notes:
TP-03	Fixtures & Results	Open the team's fixtures.	Only this team's matches, with results for finished ones.	Pass / Fail Notes:
TP-04	Join a tournament	Join Tournament > choose the open Wayanad tournament.	Registration goes to the organizer for approval.	Pass / Fail Notes:
TP-05	Payments & Invoices	Open payments; open a receipt.	Fees due, amounts paid, method and balance after each payment are correct.	Pass / Fail Notes:
TP-06	Player dashboard	Sign in as the player. Open the dashboard.	The player's teams, matches and statistics show.	Pass / Fail Notes:
TP-07	My Profile	Change name, photo and mobile number. Save.	Saved; the new photo shows in the top bar.	Pass / Fail Notes:
TP-08	Other team's data	As team manager try to open another team's squad or payments by changing the address.	Refused. No data from another team is shown.	Pass / Fail Notes:

15. Checks that apply everywhere

ID	Scenario	Steps	Expected result	Result
XC-01	Club separation	As admin@greenvalley.com, try to open a Malabar tournament's Teams, Fixtures or Auction screen by changing the address.	Refused with a clear message. The attempt appears in the super admin's Audit Logs.	Pass / Fail Notes:
XC-02	Phone layout	Run the key flows (sign-in, register team, record fee, score a match, bid) on a phone.	No sideways scrolling; buttons are easy to tap; text is readable; tables scroll inside their box.	Pass / Fail Notes:
XC-03	Language	Switch the language to Malayalam from the preferences menu.	Menus and main labels change to Malayalam; nothing is cut off; switching back works.	Pass / Fail Notes:
XC-04	Theme and text size	Switch between light and dark themes and make text larger.	All text stays readable; scoreboards and TV screens stay dark.	Pass / Fail Notes:
XC-05	No raw codes on screen	While testing, watch every label, status and message.	Statuses read as words ('In progress', 'Registration open'), never as codes with underscores or all capitals like REGISTRATION_OPEN.	Pass / Fail Notes:
XC-06	Error messages	Cause errors on purpose (bad input, duplicates, limits).	Every error is one clear sentence saying what to do. No blank screen, number codes or technical text.	Pass / Fail Notes:
XC-07	Lists page on the server	Open any long list (users, teams, clubs). Search and page through.	Pages move with Next / Previous; search finds results beyond the first page.	Pass / Fail Notes:
XC-08	Weak or lost internet	Turn off Wi-Fi or mobile data while on the scorer screen, then turn it back on.	An offline banner appears; nothing is silently lost; the screen recovers when the connection returns.	Pass / Fail Notes:
XC-09	Live screens without the live connection	Ask the developer to stop the live gateway. Score a goal and place a bid.	Scoring and bidding still save and return normally; screens catch up on refresh or reconnect.	Pass / Fail Notes:
XC-10	Screen stays awake	Leave the scorer, scoreboard and auction TV open for 10 minutes without touching.	The screen does not dim or lock.	Pass / Fail Notes:
XC-11	Performance	Open the tournament page and scoreboard on a mid-range phone over 4G.	Usable within about 3 seconds; live updates appear within a few seconds.	Pass / Fail Notes:
XC-12	Browser Back and refresh	Refresh and use Back on each main screen.	You stay on the same screen and signed in; no data is lost or duplicated.	Pass / Fail Notes:

16. Reporting a problem

For each failed test, fill in one row. A screenshot or short screen recording makes a fix much faster.

What to include

- **Test ID** from this manual (for example LF-06).
- **Account** you were signed in as, and the **device and browser**.
- **Steps** you took, in order, so a developer can repeat them.
- **What you expected** and **what actually happened**, including the exact wording of any message.
- **Severity**: **Critical** (money, scores or data wrong or lost; cannot continue), **High** (a main flow is blocked but there is a workaround), **Medium** (works but confusing or partly wrong), **Low** (cosmetic, wording).
